Abraham Lincoln

This Friday is a MONDAY schedule.

MANDATORY COUNSELING APPOINTMENTS

All 10th and 11th grade students have to make an appointment with Ms. Cabbage to discuss fall and possible summer high school and college classes. If possible, 11th graders should see Ms. Cabbage AFTER seeing a COC counselor and making a transfer Ed Plan. 10th graders should do major and school research on ASSIST.ORG before meeting with Ms. Cabbage. 11th grade appointments are 15 minutes and 10th grade appointments are 30 minutes. See Mrs. Davidson or Mrs. Huff to make your appointment!

Around the World in Five Days!

Send your taste buds on a journey around the world! ASB is hosting, "Around the World in Five Days," from March 22nd to March 26th. Sign up in the office to bring international foods to share. No peanuts, please. For questions, comments, or concerns, please talk to Karianne Chung, Ms. Ruiz or Sarah Preis.

Be proud of who you are! Show pride in your ethnicity and your family's native country by filling out a card with your name and culture at the Snack Shack. The cards will be displayed by the flags that represent them during Around the World in 5 Days.

Safe Rides

Come join Safe Rides on our new member training day at the City Activity Center on March 27th from 10am to 3pm. As a member you can be a dispatcher, navigator or driver on Friday and Saturday nights. You are only required to volunteer once every two months at a minimum. Anyone from ages 15 to 18 is welcome, especially licensed drivers, or soon to be drivers. The City Activity Center is by the Aquatics Center and Skate Park at 20880 Centre Point Parkway, 91350. Bring \$20 for the membership fee. Pizza and drinks will be served! Call 259-6330 for additional questions.

Slow Down!

COC Campus Safety would like to remind you that the speed limit in the parking lots at COC is **15 mph**. Please watch your speed and drive carefully!

COC Summer Classes

COC will be holding classes this summer in three different sessions but **only Session I and II are available for AOC students**. Session III overlaps with the beginning of fall semester at AOC and interferes with your high school classes. Current 10th and 11th graders can take a summer class with permission from Ms. Cabbage. The Schedule of Classes won't be available until sometime in April. Session I: June 7 - July 10 (5 weeks). Session II: June 14-August 7 (8 weeks). Registration information will be announced in the bulletin once we have it.

Attention All AOC Students

We need your cooperation with respect to the use of the University Center next to our school. We have been given the privilege of using part of this building for our high school however AOC students DO NOT have permission to use the University Center facilities other than for attending a class. You are allowed to walk into the building ONLY IF you have a class in there. You must go directly to and from your class and leave the building immediately after your class. Please do not use UC bathrooms or their vending machines.

Senior Slide Show

Seniors, please bring your baby pictures to Mrs. Huff to be displayed in the senior slide show. Make sure you write your name on the back of the photograph so that it can be returned to you in a timely manner. Senior Slide Show will be shown at the Senior Dance on May 7, so don't forget to buy your tickets too!

Pennies for Patients

This is the last week to contribute to Our Pennies for Patients fundraiser, so let's make it a good one! Bring your change to the buckets located in the office. AOC is sponsoring 7 year old Tyler, a Valencia native, who is afflicted with Non-Hodgkin's Lymphoma. Because of donations for research, overall five-year survival rates have increased from 12% in the 60's to 37% in 2005. Our goal is to give \$850. So far the winning class is Wilhelm Period 4 M/W (+\$3.82). Falling way behind is Ruiz Period 4 M/W (-\$33.90). For the most current school total, check the poster next to the tree.

Senior Dance is Coming!

Senior Dance tickets are available for sale in the office. The dance will be held on May 7, 2010 at the Activities Center. Tickets are \$55 per person or \$100 for a couple until Spring Break. Don't delay!

Free Math Help Available

Mr. Prince is available in the Computer Lab every morning from 8-9:30, and 8-2 on Fridays, for math tutoring at both high school and college levels. He is glad to help any students, so take advantage of this opportunity!

Juniors and Seniors

The WESTERN UNDERGRADUATE EXCHANGE (WUE) is a program of the Western Interstate Commission for Higher Education (WICHE). Students who are residents of WICHE states are eligible to request a reduced tuition rate of 150% of resident tuition at participating two- and four-year college programs outside of their home state. The WUE reduced tuition rate is not automatically awarded to all eligible candidates. Check it out!
