Congratulations to our "Conquistador of the Week" nominees for the week of May 14th, 2012. They are Emma Drew from Team Fusion and Alyssa Farris from Team Synergy. Conquistador of the Week is a program we have here at Arroyo Seco to honor students who exhibit the highest standards in both academic excellence and citizenship. Each week, one boy and one girl will be selected to represent Arroyo Seco as our "Conquistador of the Week". These outstanding students will be called to the office for special recognition and given beautiful personalized certificates. Their names will be announced on CNN, posted on the marquee in the front of the school, and printed in the Daily Bulletin. Their photos will be hung in the front office for the week they are recognized.

**All 8th grade students will return their textbooks on Tuesday the 22nd and 7th graders on Wednesday, May 23.** It is very important that you bring all library materials back at that time or you will not be allowed to get your yearbook or attend Luau. All library and textbooks from both 7th and 8th grade must be returned in order to be cleared for Eighth grade privileges. If you have lost any books or owe textbook fines from last year all payments must be made before you are cleared. You may log onto your Destiny account from home or at school to see which materials you owe the library. Everything listed on your account must be returned and all fines cleared. If you fail to do so your record stays with you through High School!
