August 3, 2009

Dear Bowman Night School Student:

Bowman Night School (for students working 28+ hours per week in a “real” job with a work permit) will meet on Thursday nights from **4:55 – 9:10 PM**.

Regular, on-time **attendance** is an important part of our program; tardiness, or absenteeism could result in the cancellation of a student’s work permit. A student eighteen years of age or older will be dropped from the program should **regular attendance** become a problem.

Students who miss an evening are required to **make up** those **hours** by attending **Day School** from **11:37 AM – 2:59PM**. You will need to make arrangements with your employer to come in and make up the hours that you owe.

Another important aspect of Bowman Night School is **student behavior** and **productivity**. Students who choose not to work will be referred to the office by their teacher for a **time out**. Continued **poor behavior** or **non-productivity** will result in a **referral**. Students will be suspended from the class the night of the infraction and the following week. Students eighteen years of age or older will be dropped from the program should **poor behavior or non-productivity** become an on-going problem.

All students are required to pass the **California High School Exit Examination** (CAHSEE) to receive a high school diploma. It is important that you familiarize yourself with the test dates (November 3 & 4, 2009, March 16 & 17, 2010, and May 11 & 12, 2010). Night School students will need to attend day school for the test administration. Attached to this letter is a separate sheet, which explains in detail the California High School Exit Examination (CAHSEE), along with the test dates.

Please note the Night School schedule below. The last Night School meeting of the school year will occur **Wednesday, June 2, 2010**.

Please **calendar** the following **Bowman Night School** dates for **2009-2010**:

August-8/13, 8/20, 8/27

September-9/3, 9/10, 9/17, 9/24

October-10/1, 10/8, 10/15, 10/22, 10/29

November-11/5, 11/12, 11/19

December-12/3, 12/10, 12/17

January-1/14, 1/21, 1/28

February-2/4, 2/11, 2/18, 2/25

March-3/4, 3/11, 3/18, 3/25

April-4/1, 4/15, 4/22, 4/29

May-5/6, 5/13, 5/20, 5/27

June 2 (Wednesday)

Sincerely,

Robin Geissler
Principal

Donald Sanders
Assistant Principal
