
Bowman High Night School PROGRAM REQUIREMENTS

1. Students are expected to have regular attendance, to arrive on time to Night School, and to remain for the entire Night School Program. **(4:55PM – 9:10PM)**.
2. Students who miss an evening or are late to Night School need to make up those hours by attending Day School from 11:37AM – 2:59PM. You will need to make arrangements with your employer to take off the time to make up the hours that you owe.
3. Students are expected to contact Mr. Sanders at least 24 hours in advance if they are unable to attend Night School.
4. Students are expected to earn at least 6 – 8 credits on each report card.
5. Students must have a job in which they are working 28 or more hours per week and receiving a paycheck with a deduction. Students under 18 years of age are required to have a current work permit.

The following reasons would result in a student being dropped from the Night School Program: poor attendance, failure to make up missed Night School hours, inability to maintain employment of 28 or more hours a week, and earning less than 6 - 8 credits on two consecutive report cards.
