WELCOME

Welcome to the winter /
spring sessions of Golden
Oak Adult School.

Literacy and customer
service are our top
priorities. We have a
reputation of being
flexible and practical which fosters our students'
opportunities to succeed. If we can not help you, we can
refer you to other agencies.

In this brochure, there are classes designed to improve
academic skills and job readiness. You will also find
programs for English language learners and those who
want to work on earning a high school diploma or General
Education Development test. Job and life skills classes for
disabled adults, and parenting skills for those raising
toddlers, are routinely offered. The Community Based
English Tutoring class even provides childcare while
parents improve their English and learn how to help their
children with schoolwork.

Golden Oak is a true partnership between the Hart District
and the community. It gives us the opportunity to reach
out to local residents who might not otherwise be involved
with our community's public schools. We hope you will

take advantage of the opportunity to enrich your life through ongoing
learning.

Adults have priority over high school students in all classes.

Attendance

Attendance in all classes is the responsibility of the student. High school students taking classes for credit and a diploma must attend classes regularly or they will be dropped from the course. Classes missed for any reason are counted as absences.

Experienced counselors are available to assist students. Students wishing to earn an adult education diploma must have a counseling appointment to ensure placement in the proper classes.

Minimum Class Size

All Community Education classes have a minimum and maximum class size as indicated. In the event that a course does not have the minimum enrollment the class will either be cancelled or the number of course hours will be reduced.

Refunds and Transfers

The State of California does not fund all classes offered through adult education. Classes not funded by the State are offered through the Community Education Program. Student tuition fees cover only the basic cost of the class and are based on the number of students that enroll. We will refund your full tuition in the event that your class is cancelled due to low enrollment. If a class is not cancelled refunds will be granted only when the following guideline is met: Refunds must be requested **one week prior** to the class start date.

Registration Information

Adult Education classes **require pre-registration. For your convenience we have listed registration-closing dates at the end of each class description.** Exception to this policy is English as a Second Language where registration occurs on designated dates.
