Athletic Department Fundraising:

In order to help better organize fundraising opportunities to help pay for athletic costs the Athletic Department will be organizing and running 4 large fundraisers to generate revenue to be used to fund athletic programs. These fundraising opportunities will also allow athletes to off-set spirit pack costs through fundraising. For every \$100.00 they raise we will take \$50.00 off of their spirit pack costs. These 4 fundraising opportunities will be:

FAQ

Do I have to buy more than 1 spirit pack if I intend on playing more than one sport?

No! The base spirit pack can be used for any sport the athlete chooses to participate in. The only additional costs would be for individual sport add-ons approved by the Athletics Department and ASB. For example a baseball hat would be an extra cost for baseball players.

Can I purchase extra spirit pack items or replacement items?

Yes! The process is easy. Simply visit the Golden Valley page at buddiesallstars.com. Order the items, sizes, and quantities that you want. Submit your credit/debit card information. The items will then become available in the ASB office within 2 weeks.

What if I can't submit credit/debit card information and need to pay in installments?

Follow the installment plan steps outlined on the backside.

What if I fundraised for all or a portion of my spirit pack costs?

Simply go to the ASB office and fill out the spirit pack order form. DO NOT order online.
