	<p>Before Columbus: The Americas of 1491 By Charles C. Mann</p> <p>The compelling and convincing study of Native American societies is adapted for younger readers from Charles C. Mann's best-selling 1491. Turning conventional wisdom on its head, the book argues that people of North and South America lived in enormous cities, raised pyramids hundreds of years before the Egyptians did, engineered corn, and farmed the rainforests.</p>	--	970.01 MAN
	<p>Trade By Rob Bowden</p> <p>The globalization of trade -- Locally global and globally local -- The world trade system -- Winners and losers -- Making trade fair -- The great debate. This book presents a global look at the effects of international trade on economies of countries, including fair trade practices and the effects of subsidies and trade laws.</p>	--	382 BOW
	<p>Food and Farming By John Baines</p> <p>Our global food store -- Globalization and free trade -- Food producers around the world -- Food for the global market -- Can free trade be fair trade? -- The future of farming -- The great debate. This book presents a global look at how food is traded between countries, including rules that affect trade and how those rules impact people, the environment, and the economy.</p>	--	382.41 BAI
	<p>Travel and Tourism By Carol Inskipp</p> <p>This book presents a global look at the positive and negative effects of travel and tourism, including economic benefits and environmental concerns.</p>	--	910.4 INS
