La Mesa Junior High School

Dear Parents and Students,

Welcome to Team Revolution! We are an interdisciplinary team (Math, Science, English, and History) and we will see your child daily. Our team has a common discipline plan and grade communication system. We communicate daily with one another in order to ease the students' transition to junior high school. Please review this letter with your child and return the signed information portion as soon as possible. We are looking forward to another rewarding year!
