

MAKEUP DAYS OF THE WEEK

Infinity Students and Parents:

With all the illnesses going around this school year, we want to make sure that you have. . .

- (a) Enough time to make up your tests, quizzes and labs...
- (b) A comfortable atmosphere to make up your tests, quizzes and labs...
- (c) A schedule in which you can make up your tests, quizzes and labs...

Therefore, starting next week, and for the remainder of the school year, there will be a "day of the week" in which you make up these important assignments for each of your four major subjects. **THIS WILL BE DONE DURING LUNCH, SO BRING A SACK LUNCH!** This will be the **ONLY** day of the week you will be able to make up a test, quiz or lab in a certain class. Makeups need to be scheduled and assigned within a "reasonable" period of time. That will be determined by each of your teachers individually.

If you miss a test, quiz or lab, you need to sign the clipboard in your teacher's classroom. On the clipboard there will be two columns: **THE DATE(S) YOU WERE ABSENT AND THE TEST QUIZ OR LAB YOU MISSED.** You can also e-mail your teacher to get on this list.

MONDAY Math Mrs. Kim	TUESDAY English Ms. Slayback	WEDNESDAY Science Mr. Kallin	THURSDAY Social Studies Mr. Bratt

Homework should be obtained and made up immediately. Always check your SnapGrades and/or Web sites to obtain that information.

REMEMBER: *We are sticking to this schedule so you need to as well. Please communicate with us the best you can so that you can get caught up as soon as possible. Practice those good sanitary habits so you can stay healthy, stay in class and stay caught up!*
